It looks like it wasn't going to work for a lot of folks, so I rescheduled for tomorrow. I can relay what we just discussed on your part, or if you want to write up some thoughts for me to relay, I can do that, too.

Thanks,

Claudia

Sorry, I was remembering wrong. My other meeting starts at 2:00. It's with Aaron and Jaslyn on a regional haze question. I can try to reschedule with them if this is the only time available -- what do you think?
